TEDCO Business Centre FAQ's

Q. How can I rent space at TEDCO?

We invite anyone who is interested in taking space at one of our centres for a tour to see the range of services and facilities we have available. Our aim is to provide an environment that will support your business needs, so we talk to every one who wishes to apply for space to assess how we can achieve this.

If TEDCO is the right environment for you, then you will sign our rental agreement (the Licence Agreement). You will also need to pay the current month's rental fees (Licence Fees) before you move in.

Q. Is there a deposit to pay?

Yes, your deposit would be the equivalent of one month's Licence Fee, there are also key deposits to pay and these are both payable prior to moving in.

Q. What does my Licence Fee include?

Your Licence Fee would be payable to TEDCO by Direct Debit and at all sites would include:

- The rental of your office / unit space.
- Reception service.
- Use of all common facilities.
- Cleaning, heating and lighting of all common areas.
- Waste Management services, including recycling facilities.
- 24 hour access, 365 days a year.
- Free internet access in our reception areas.
- Our security service, which includes manned security guards and monitored CCTV 365 days a year.
- Car parking.
- Local Authority Rates.

Q. Are there any other costs?

There are additional services available at TEDCO, such as photocopying, faxing and postage, which do have a charge associated with them. More details of the services and costs are available from the individual centres.

Your business will need to provide us with verification of Public Liability Insurance and also any special insurance your business operations may dictate.

Licence Fees for office units include utility charges, whereas manufacturing and light assembly units are subject to additional utility charges based on monthly meter readings.
