The Business

Bereco Ltd supply joinery solutions, windows and external doors to the UK construction industry.

Bereco's aim is to offer the building and retail industry a high specification product combined with an exceptional service and customer support that is second to none.

As a company they believe in three key objectives:

- Choice and Flexibility
- Quality, High Performance Products
- Responsibility to the Environment

The Background

Kevin Martin, Lee Young and Rachel Walker established Bereco Ltd in October 2003 and began trading in Rotherham.

They used their combined experience to set up a business supplying high quality timber windows and doors and became successful thanks to their commitment to exceptional service.

Each year has seen a healthy growth and as of August 2009, Bereco employ fourteen people in Rotherham. They have recently expanded, opening a new office in Berwick with a staff of four.

The Service

Bereco's team consists of highly skilled and dedicated individuals who have a wide range of experience within the timber window industry. They take pride in providing excellent customer care and technical product knowledge, ensuring support is available from initial enquiry through to installation.

Bereco specialise in the following:

- Lipped and Flush (Casements)
- Sliding Sash (Cords and Weights)
- Sliding Sash (Spiral Balance)
- French Doors
- Folding Doors
- Sliding Patio Doors
- Solid Wood Entrance Doors
- Tilt and Turn Windows
- Fully Reversible Windows

Manufactured from timber in Redwood, Hardwood or Oak their products offer support from extensive warranties and quality controls. They are tested to the highest performance standards and meet all sustainability requirements. Bereco endeavour to meet the best value commitments for their customers.

Why Berwick WorkSpace?

Kevin Martin said “Berwick WorkSpace provides us with an exceptional office and location, the offices are nicely decorated and the use of the centres facilities is fantastic.”

Rachel continued “We look forward to benefiting from any up and coming courses and presentations.”
